Good afternoon everyone,

This is to let you know that Bushwacker Tree Service will be in the park on Friday (10/2) to do the annual trimming of the palm trees. They plan to begin work between 8 and 9 a.m. starting on Estada Street. They will complete all work on the bay side before moving over to the Gulf side. If you have a vehicle parked at GTB, you might want to move it before work begins on your street.

Thank you,

Gill McNeil
